

AGENDA
IRVINE RANCH WATER DISTRICT
WATER RESOURCES POLICY AND COMMUNICATIONS COMMITTEE
WEDNESDAY, AUGUST 5, 2020

Due to COVID-19, this meeting will be conducted as a teleconference pursuant to the provisions of the Governor's Executive Orders N-25-20 and N-29-20, which suspend certain requirements of the Ralph M. Brown Act. Members of the public may not attend this meeting in person.

Participation by members of the Committee will be from remote locations. Public access and participation will only be available telephonically/electronically.

To virtually attend the meeting and to be able to view any presentations or additional materials provided at the meeting, please join online via Webex using the link and information below:

Via Web:

<https://irwd.my.webex.com/irwd.my/j.php?MTID=m3298012aa7973ecefdd16e2c8e27abf9>

Meeting Number (Access Code): 126 497 9088

Meeting Password: M2XhMpwdT63

After joining the meeting, in order to ensure all persons can participate and observe the meeting, please select the "Call in" option and use a telephone to access the audio for the meeting by using the call-in information and attendee identification number provided.

As courtesy to the other participants, please mute your phone when you are not speaking.

PLEASE NOTE: Participants joining the meeting will be placed into the Webex lobby when the Committee enters closed session. Participants who remain in the "lobby" will automatically be returned to the open session of the Committee once the closed session has concluded.

Participants who join the meeting while the Committee is in closed session will receive a notice that the meeting has been locked. They will be able to join the meeting once the closed session has concluded.

CALL TO ORDER 3:00 p.m.

ATTENDANCE Committee Chair: Steve LaMar _____
Member: Mary Aileen Matheis _____

<u>ALSO PRESENT</u>	Paul Cook	_____	Paul Weghorst	_____
	Wendy Chambers	_____	Cheryl Clary	_____
	Fiona Sanchez	_____	Christine Compton	_____

	_____	_____	_____	_____

PUBLIC COMMENT NOTICE

If you wish to address the Committee on any item, please submit a request to speak via the “chat” feature available when joining the meeting virtually. Remarks are limited to three minutes per speaker on each subject. You may also submit a public comment in advance of the meeting by emailing comments@irwd.com before 12:00 p.m. on Wednesday, August 5, 2020.

ALL VOTES SHALL BE TAKEN BY A ROLL CALL VOTE.

COMMUNICATIONS

1. Notes: Weghorst
2. Public Comments
3. Determine the need to discuss and/or take action on item(s) introduced that came to the attention of the District subsequent to the agenda being posted.
4. Determine which items may be approved without discussion.

WATER RESOURCES POLICY AND COMMUNICATIONS COMMITTEE

WATER EFFICIENCY REBATE PROGRAM UPDATE

SUMMARY:

IRWD implements numerous water efficiency programs to assist customers with reducing water use. Rebate and other programs are funded from over-allocation revenues and vary depending upon the needs of the various customer types served by the District. This report provides an update on water savings to be realized from IRWD's rebate programs as well as expenditures on each program during Fiscal Year (FY) 2019-20.

BACKGROUND:

IRWD provides supplemental funding for specific devices offered in the regional rebate program which is administered by Metropolitan Water District (MWD). IRWD's customers are eligible for rebates on the water efficient devices offered through MWD's program and receive the added benefit of an increased rebate amount on the devices selected for IRWD supplemental funding. The supplemental funding is made available primarily for outdoor devices and other water efficient equipment taking into consideration device saturation, cost effectiveness, product cost and the availability of other regional funding. IRWD's cost of water to be saved from all the rebate programs combined during FY 2019-20 was approximately \$24 per acre-foot (AF). The table below shows the expected lifetime of water savings and expenditures for each rebate program for FY 2019-20. More than half of IRWD's expenditures were for turf removal.

Regional Rebate Program Lifetime Water Savings and
Expenditures for FY 2019-20

Device	Quantity	Lifetime Water Savings (AF)	Regional Expenditures	IRWD Expenditures
High Efficiency Toilets	39	30.6	\$1,560.00	\$0
High Efficiency Clothes Washers	502	242.5	\$42,670.00	\$0
Ultra Low Water Urinals	17	41.7	\$3,400.00	\$0
Rain Barrels	9	0.1	\$315.00	\$0
Rotating Nozzles	277	6.1	\$924.40	\$370.40
Central Computer Irrigation Controllers	11	44.9	\$12,780.00	\$0
Weather Based Irrigation Controllers	617	485.8	\$213,948.56	\$8,343.72
Soil Moisture Sensor Systems	1	0.0	\$180.00	\$0
Turf Removal* (square feet)	128,438	167.0	\$399,826.00	\$14,512.00
Spray to Drip Conversion* (square feet)	72,473	47.9	\$16,580.16	\$2,085.56
Total		1066.5	\$692,184.12	\$25,311.68

*Includes pending projects that were started in FY 2019-20 but not yet completed.

FISCAL IMPACTS:

None.

ENVIRONMENTAL COMPLIANCE:

This item is not a project as defined in the California Environmental Quality Act as authorized under the California Code of Regulations, Title 14, Chapter 3, Section 15378.

RECOMMENDATION:

Receive and file.

WATER RESOURCES POLICY AND COMMUNICATIONS COMMITTEE

2020 LEGISLATIVE AND REGULATORY UPDATE

SUMMARY:

This report provides an update on the 2019-2020 legislative session, regulatory issues, and IRWD priorities. As legislation and regulations develop, staff will provide updates and recommendations to the Water Resources Policy and Communications Committee and the Board, as appropriate. Staff recommends the Board receive and file the report.

BACKGROUND:

On July 27, both the Assembly and the State Senate returned from their summer recesses, two weeks later than they had been scheduled to return. With the delayed return, the policy and fiscal committee deadlines were moved. Policy committees now have until August 14 to hear bills in the Assembly and August 15 to hear bills in the Senate. Fiscal committees in both houses will have until August 21 to meet and report bills to the floor. The last day for each house to pass bills without an urgency clause this legislative year is August 31, which is the day the Final Recess begins.

A copy of the 2020 Legislative Matrix is provided as Exhibit “A”. Links to the bills discussed below are included within each discussion, unless a separate exhibit is noted.

Economic Recovery Plan:

On July 27, the day that the Legislature returned from its summer recess, legislative leadership unveiled an outline for a \$100 billion economic stimulus plan developed by two Assembly and Senate work groups. A copy of the released outline is provided as Exhibit “B”.

The economic stimulus plan proposes to raise \$100 billion for the State by issuing future tax vouchers, securitizing current revenue streams, accelerating general obligation bonds, and borrowing from the federal government. The plan focuses on three policy objects, which the outlines states as:

- Support for Small Business – Protect small businesses from the impacts of the economic downturn through policy changes and funding;
- Protections for Working Families – Support struggling workers through stronger benefit programs and policy changes, while ensuring families have access to affordable housing and students have a safe way to learn; and
- Investments in Our Green Economy – Improve the environment, combat climate change, and create green infrastructure and jobs with investments.

The outline of the plan is limited on details, but specific proposals included in it would bolster unemployment benefits, should the federal surplus benefit not be renewed; expand housing and mitigating hardships for homeowners and renters, including protections from evictions; and invest in climate resilience and green infrastructure, including improving clean water delivery and recycling infrastructure and creating a fund to incentivize clean vehicles and expand electric vehicle charging infrastructure.

According to working group leaders, the working groups will seek input on the plan from Governor Gavin Newsom's Administration, including the Governor's Task Force on Business and Jobs Recovery, as well as from the public. The work group intends to work to enact the plan before the August 31 end of the 2020 legislative session and to identify priorities for the following legislative session.

The Senate and Assembly work groups were led by Senate Bob Hertzberg (D-Van Nuys), Senate Steven Bradford (D-Gardena), Assemblymember Phil Ting (D-San Francisco) and Assemblymember Jacqui Irwin (D-Thousand Oaks). The other work group members included Senators Jim Beall (D-San Jose), Anna Caballero (D-Salinas), Maria Elena Durazo (D-Los Angeles), Cathleen Galgiani (D-Modesto), Holly Mitchell (D-Los Angeles), Anthony Portantino (D-Glendale), Nancy Skinner (D-Oakland), and Bob Wieckowski (D-Fremont); and Assemblymembers Tasha Boerner Horvath (D-Carlsbad), David Chiu (D-San Francisco), Eduardo Garcia (D-Coachella), Adam Gray (D-Merced), Tim Grayson (D-Vallejo), Sydney Kamlager (D-Culver City), Monique Limón (D-Santa Barbara), Kevin McCarty (D-Sacramento), Kevin Mullin (D-San Mateo), Al Muratsuchi (D-Torrance), Cottie Petrie-Norris (D-Newport Beach), Rudy Salas (D-Bakersfield) and Buffy Wicks (D-Oakland).

2020 State Legislative Update:

In addition to any updates on new developments, staff will discuss the following bills/topics with the Committee:

- [SB 414 \(Caballero, D-Salinas\) – Small System Water Authority Act of 2019;](#)
- [SB 1099 \(Dodd, D-Napa/Glazer, D-Orinda\) – Emergency Backup Generators;](#)
- [SB 1386 \(Moorlach\) – Local Government- Water Assessments, Fees and Charges;](#) and
- State-proposed COVID-19 related legislation.

2020 State Regulatory Update:

Governor's Executive Order on a Water Resiliency Portfolio:

On April 29, 2019, Governor Newsom issued an executive order (EO) for the California Natural Resources Agency, the California Environmental Protection Agency, and the California Department of Food and Agriculture. The EO directed the agencies to prepare a water resiliency portfolio that “meets the needs of California’s communities, economy, and environment through the 21st century.” The EO also directed the agencies to base the portfolio on seven principles:

- Prioritize multi-benefit approaches that meet several needs at once;
- Utilize natural infrastructure such as forests and floodplains;
- Embrace innovation and new technologies;
- Encourage regional approaches among water users sharing watersheds;
- Incorporate successful approaches from other parts of the world;
- Integrate investments, policies, and programs across state government; and
- Strengthen partnerships with local, federal and tribal governments, water agencies and irrigation districts, and other stakeholders.

In directing the State agencies to develop a Water Resiliency Portfolio, the Governor was seeking to develop his plan for California water. After a multi-month public outreach process and comment period over the summer of 2019, the “Draft 2020 Water Resilience Portfolio” was released on January 3, 2020. Following the release of the draft, the Administration and State agencies held another public comment period and then continue their work to finalize the Water Resilience Portfolio.

On July 28, Governor Newsom released the final version of his *Water Resilience Portfolio*. In releasing the final portfolio, the Administration said that the Portfolio is:

“[T]he Administration’s blueprint for equipping California to cope with more extreme droughts and floods, rising temperatures, declining fish populations, over-reliance on groundwater and other challenges.”

“The portfolio outlines 142 state actions to help build a climate-resilient water system in the face of climate change. The actions tie directly to Administration efforts to carry out recent laws regarding safe and affordable drinking water, groundwater sustainability and water-use efficiency. They also elevate priorities to secure voluntary agreements in key watersheds to improve flows and conditions for fish, address air quality and habitat challenges around the Salton Sea and protect the long-term functionality of the State Water Project and other conveyance infrastructure.”

Given the recent impacts of COVID-19 to the State’s finances, the Administration acknowledges that the implementation of the actions contained within final portfolio will depend on the State’s budget situation; however, it will prioritize the following:

- Implementing the Safe and Affordable Drinking Water Act of 2019;
- Supporting local communities to successfully implement the Sustainable Groundwater Management Act of 2014;
- Achieving voluntary agreements to increase flows and improve conditions for native fish in the Sacramento-San Joaquin Delta and its watersheds;
- Modernizing the Delta water conveyance system to protect long-term functionality of the State Water Project;

- Updating regulations to expand water recycling;
- Accelerating permitting of new smart water storage;
- Expanding seasonal floodplains for fish and flood benefits;
- Improving conditions at the Salton Sea;
- Removing dams from the Klamath River; and
- Better leveraging of information and data to improve water management.

Staff will discuss the final *Water Resilience Portfolio* with the Committee and the District's next steps in advocating for the actions it proposed for inclusion in the portfolio.

A copy of the *Water Resilience Portfolio* can be viewed https://waterresilience.ca.gov/wp-content/uploads/2020/07/Final_California-Water-Resilience-Portfolio-2020_ADA3_v2_ay11-opt.pdf.

A copy of the IRWD's Policy Principles on California's Water Resilience Portfolio can be viewed at www.irwd.com/images/pdf/about-us/public-policy/policy_papers/20190826_irwd_california_water_resiliency_policy_paper_white_paper.pdf.

Other State Regulatory Updates:

The following is a list of some of the State regulations and agency reports staff is monitoring, tracking or planning to engage in over the next three to 12 months. As the next drafts of the regulations or report are released for public review and comment, staff will engage, as appropriate. Staff will also provide an oral update to the Committee on any new developments related to these regulations.

The pending regulations and reports actively being tracked include the:

- California Air Resources Board's Advanced Clean Trucks Regulations;
- Department of Water Resources (DWR) and the State Board's implementation of the "Making Water Conservation a California Way of Life" legislation;
- State Board's development of a "Cross Connection Policy Handbook;"
- State Board's Safe and Affordable Funding for Equity and Resilience (SFER) Drinking Water Program;
- State Board's [water loss performance standards regulations](#); and
- State Board's "Water Quality Control Plan for Inland Surface Waters, Enclosed Bays, and Estuaries of California" and draft "Toxicity Provisions."

2020 Federal Legislative Update:

IRWD's federal advocacy efforts in 2020 continue to largely focus on seeking federal funding for the Kern Fan Groundwater Storage Project and advocating for an increased funding authorization for the federal Water Storage Program. As the nation's attention has shifted to COVID-19, staff and the District's advocates have been tracking the federal legislation dealing with the coronavirus. Staff also continues to track federal legislation related to infrastructure funding. Staff will update the Committee on these efforts and on the ongoing efforts related to positioning the Kern Fan Groundwater Storage Project for federal funding this year. Additionally, staff will update the Committee on efforts related to federal dam safety funding.

IRWD 2020 LEGISLATIVE MATRIX
Updated 07/29/2020

Bill No. Author	Title	IRWD Position	Summary/Effects	Status
<u>AB 69</u> Ting (D)	Land Use: Accessory Dwelling Units	WATCH	Requires the department to propose small home building standards governing accessory dwelling units smaller than 800 square feet, junior accessory dwelling units, and detached dwelling units smaller than 800 square feet, as specified, and to submit the small home building standards to the California Building Standards Commission for adoption on or before a specified date.	07/29/2020 - In SENATE. Read second time. To third reading.
<u>AB 134</u> Bloom (D)	Safe Drinking Water Restoration	WATCH	Requires each regional engineer to arrange for a prescribed comprehensive assessment of each failed water system in the region of the drinking water regional office to be completed. Requires the board, upon adoption of an assessment of funding need, to convey to each regional engineer a list of at-risk water systems in that region and additional information. Requires the board by a specified date of each year to review the assessment of funding need and to prioritize the public water systems.	06/13/2019 - To SENATE Committees on ENVIRONMENTAL QUALITY and NATURAL RESOURCES AND WATER.
<u>AB 196</u> Gonzalez (D)	Workers' Compensation: Coronavirus		Defines injury for certain employees who are employed in an occupation or industry deemed essential except as specified, or who are subsequently deemed essential, to include coronavirus disease that develops or manifests itself during a period of employment of those persons in the essential occupation or industry. Creates a conclusive presumption that the injury arose out of and in the course of the employment.	05/05/2020 - From SENATE Committee on LABOR, PUBLIC EMPLOYMENT AND RETIREMENT with author's amendments.;05/05/2020 - In SENATE. Read second time and amended. Re-referred to Committee on LABOR, PUBLIC EMPLOYMENT AND RETIREMENT.
<u>AB 202</u> Mathis (R)	Endangered Species: Conservation: Safe Harbor Program		Extends the operation of the California State Safe Harbor Agreement Program Act indefinitely, which encourages landowners to manage their lands voluntarily, by means of state safe harbor agreements approved by the Department of Fish and Wildlife, to benefit endangered, threatened, or candidate species.	04/24/2019 - To SENATE Committee on NATURAL RESOURCES AND WATER.

EXHIBIT "B"

Major Components of Joint Economic Stimulus Plan:

- ✓ ***New Revenues Without Raising Taxes.*** Innovative and fiscally sound revenue solutions will allow California to enact programs that will stimulate the economy through support for small business, protections for working families, and investments in our green economy, including, but not limited to, the following efforts:
 - Economic Recovery Fund - Authorize Treasurer to issue future tax vouchers to generate billions of revenues for general economic stimulus efforts outlined in the plan.
 - Securitization of current revenue streams:
 - Accelerate SB 1 transportation funds to create good jobs now and to improve key roads and highways to better support the economy.
 - Accelerate existing CPUC revenue streams that will expand broadband services throughout the state to benefit distance learning and other activities.
 - Accelerate future Cap and Trade funds to backfill lost revenues due to the downturn and ensure critical programs remain funded.
 - Accelerate authorized, but unused, general obligation bonds to generate bond funds to infrastructure projects.
 - Borrow from the federal government to bolster state unemployment insurance programs.

✓ **Support for Small Business.** Protect small businesses from the impacts of the economic downturn through policy changes and funding, including, but not limited to, the following efforts:

- Expand small business tax breaks, such as extending the sales tax loan program.
- Exclude small businesses from increased Unemployment Insurance costs to repay federal unemployment insurance funds.
- Reduce the risk of small business owners, and other Californians, losing their homes due to bankruptcy.
- Combat history of systemic racism and sexism with efforts to support minority and women owned businesses.
- Streamline the Work Sharing program administered by EDD so more employers have temporary alternatives to layoffs when its business operations are reduced.
- Incentivize on-shore manufacturing of PPE, ventilators, swabs and other products critical to our COVID-19 response, including expansion of workforce retraining programs.

✓ **Protections for Working Families.** Support struggling workers through stronger benefit programs and policy changes, while ensuring families have access to affordable housing and students have a safe way to learn, including, but not limited to, the following efforts:

- Fill gaps in Unemployment Insurance, including extending to undocumented workers, shortfalls resulting from if the federal government does not extend the \$600 per week payment, and other holes that remain.
- Expand the EITC to provide more relief to low-income Californians, including those that file taxes with Individual Tax Identification Numbers.
- Improve access to safe childcare programs, including capital assistance for homeowners updating homes for in-home childcare services.
- Help students return safely to in-person education while balancing costs to schools, and provide expanded broadband access, particularly in rural and

unserved communities, so students who cannot return to the classroom aren't left behind during distance learning.

- Increase affordable housing supply by helping homeowners access financing to build ADUs, and loaning public higher education institutions funds to build more student housing.
- Protect renters from eviction and support struggling homeowners and landlords.
- Augment Budget Act appropriations for local governments to combat homelessness, and provide incentives for local governments to build housing on non-traditional sites.

✓ ***Investments in our Green Economy.*** Improve the environment, combat climate change, and create green infrastructure and jobs with investments including, but are not limited to, the following efforts:

- Invest in wildfire prevention and vegetation management activities.
- Fight sea level rise, and protect wetlands and communities from climate change impacts.
- Improve clean water delivery and recycling infrastructure.
- Create a dedicated fund to incentivize light and heavy-duty, including passenger clean vehicles, as well as expedite and expand electric vehicle charging infrastructure projects.
- Make buildings more energy efficient with greener HVAC and water systems, as well as clean energy generation and battery energy storage systems.
- Streamline the CEQA through targeted, and limited, use of the AB 900 process – including for housing – to ensure environmental leadership projects actually get built.

WATER RESOURCES POLICY AND COMMUNICATIONS COMMITTEE

REVIEW OF IRWD ASSOCIATION MEMBERSHIPS AND AFFILIATIONS

SUMMARY:

Staff has compiled a summary of the associations of which IRWD is a member and pays membership dues of \$500 or more per year (major memberships). The total amount of membership dues paid by IRWD in Fiscal Year 2019-20 was approximately \$400,000 with major membership expenses totaling \$376,198.71. A summary of the major memberships for Fiscal Years 2018-19 and 2019-20 is provided as Exhibit “A”.

Staff will present the summary to the Committee for discussion on the value of continuing membership in the listed associations. Staff will be prepared to review the purpose of these memberships, identify memberships that are of lower priority and value to the District, and identify association and sponsorship opportunities for discussion.

FISCAL IMPACTS:

Dues for IRWD association memberships are included in each annual operating budget.

ENVIRONMENTAL COMPLIANCE:

Not applicable.

RECOMMENDATION:

Receive and file.

LIST OF EXHIBITS:

Exhibit “A” – Summary of IRWD’s Major Association Memberships
