STATEWIDE DROUGHT AND LEVEL TWO WATER SHORTAGE DECLARATION

Using a PowerPoint presentation, Director of Strategic Communications and Advocacy/Deputy General Counsel Compton reported that due to severe drought conditions, Governor Newsom has declared regional states of emergency in 50 of the 58 counties in California and issued Executive Order N-10-21 on July 8, 2021. Ms. Compton said that the order calls upon all Californians to voluntarily reduce water use by 15% from 2020 levels for the purpose of preserving available water supplies and reserves. She said that IRWD's Water Shortage Contingency Plan (WSCP) defines a 15% reduction as a Level Two Shortage (defined as a Significant Shortage Condition), which includes a number of response actions designed to achieve voluntary demand reductions. She said that IRWD has sufficient supplies to meet all the projected demands despite the drought.

Executive Director of Water Policy Weghorst reported on supply shortage response actions considered including: 1) expanding the residential survey program, large landscape survey program, outdoor education programs and workshops, and establishing water waste reporting hotline; 2) reviewing water budgets and potential adjustments to target discretionary outdoor uses for residential and landscape customers; 3) discouraging filling of fountains, pools, and water features and other discretionary uses; and 4) conducting evaluation on operational measures to reduce potable water use and expand the authorized use of recycled water. Mr. Weghorst further reviewed the measures already in place and Level One Measures, along with additional recommended Level Two measures.

Following discussion with the Board and staff, on MOTION by LaMar, seconded by Withers, THE BOARD UNANIMOUSLY ADOPTED THE FOLLOWING RESOLUTION BY TITLE:

RESOLUTION NO. 2021-22

RESOLUTION OF THE BOARD OF DIRECTORS OF
IRVINE RANCH WATER DISTRICT, ORANGE COUNTY,
CALIFORNIA, DECLARING WATER SHORTAGE LEVEL TWO
(SIGNIFICANT SHORTAGE CONDITION).

CONSULTANT SELECTION TO UPDATE THE IRWD ENERGY AND GREENHOUSE
GAS MASTER PLAN

Director Withers reported that this item was reviewed by the Engineering and Operations Committee on September 22, 2021, and it was clear based on its scope of work that NV5 Global, Inc. was the preferred firm to perform the update with its demonstrated ability and deep knowledge of the solar, battery storage and microgrid markets as well as its significant experience in distributed energy generation projects in California. On MOTION by Withers, seconded by McLaughlin, THE BOARD UNANIMOUSLY AUTHORIZED THE GENERAL MANAGER TO EXECUTE A PROFESSIONAL SERVICES AGREEMENT WITH NV5 GLOBAL, INC. IN THE AMOUNT OF \$307,995 TO PREPARE AN UPDATE TO IRWD'S ENERGY AND GREENHOUSE GAS MASTER PLAN.

THIRD AMENDED AGREEMENT BETWEEN IRWD AND CITY OF ORANGE TO
FACILITATE PFAS REMOVAL FROM GROUNDWATER

Executive Director of Water Policy Weghorst reported that IRWD and the City entered into an agreement dated November 5, 1984, entitled "Water Supply and Service Agreement," for the purpose of creating a joint water supply arrangement for areas within the City's sphere of influence. The November 1984 agreement was superseded in its entirety in November 1994 through a First Amended Agreement which modified the joint water supply arrangements and incorporated arrangements concerning sewer and non-potable water service. The First Amended Agreement was amended and superseded in its entirety in August 2006 by a Second Amended Agreement. To facilitate the mutual interests of IRWD, the City, and OCWD of treating groundwater to remove PFAS contamination from the Basin, staff and IRWD's legal counsel have worked with the City and its legal counsel to prepare the Third Amended Agreement for Water Supply and Service, Sewer and Reclaimed Water Supply and Service and Natural Treatment System Service.

Mr. Weghorst said that the revisions incorporated into the Third Amended Agreement include the following: 1) acknowledgement that pumping of the wells with PFAS treatment will have a less-than-significant impact, 2) assurances that the parties will not challenge any aspect of the other party's respective well and treatment projects or related CEQA documents, 3) provisions to ensure that pumping of the wells and PFAS treatment can occur uninterrupted, 4) IRWD will pay to make certain feasible improvements at the City's Well No. 23, and 5) if the improvements at the City's Well No. 23 are determined not to be feasible, then pumping from IRWD's OPA Well-1 and the City's Well 23 would be reduced incrementally at the same rate; and 6) IRWD's additional pumping at Well OPA-1 could be used to serve water outside the sphere of influence of the City of Orange and inside IRWD's service area.

Director Withers said that this item was reviewed by the Engineering and Operations Committee on September 22, 2021. On MOTION by Withers, seconded by McLaughlin, THE BOARD UNANIMOUSLY AUTHORIZED THE GENERAL MANAGER TO EXECUTE THE THIRD AMENDED AGREEMENT FOR WATER SUPPLY AND SERVICE, SEWER AND RECLAIMED WATER SUPPLY AND SERVICE, AND NATURAL TREATMENT SYSTEM SERVICE BETWEEN IRWD AND THE CITY OF ORANGE, SUBJECT TO NON-SUBSTANTIVE CHANGES.

2021 Federal Legislative Update:

IRWD's federal advocacy efforts in 2021 continue to largely focus on seeking federal funding for the Kern Fan Groundwater Storage Project and advocating for an increased funding authorization for the federal Water Storage Program. On October 5, 2021, staff updated the WRP Committee on these efforts and the ongoing efforts related to positioning the Kern Fan Groundwater Storage Project for federal funding, and other federal proposals of interest to the District.

Senate Bipartisan Infrastructure Bill and \$3.5 Trillion Budget Reconciliation:

In March, President Joe Biden proposed The American Jobs Plan which was a \$2 trillion infrastructure proposal over eight years. The President encouraged bipartisan agreement in Congress on infrastructure legislation. In June, a group of five Democratic and five Republican senators – this group later grew to 21 Senators – announced that they had negotiated and come to an agreement on a \$1 trillion infrastructure plan. The \$1 trillion plan includes \$55 billion for water systems and infrastructure and \$8.3 billion for Western water infrastructure. The White House supports this legislation.

On August 10, the United States Senate passed the bipartisan infrastructure bill on a 69-30 vote. Senate Democrats supported the bill with the understanding that the chamber's narrow Democratic majority would also pass a \$3.5 trillion spending plan through budget reconciliation. The next day, Senate Democrats passed a Fiscal Year 2022 budget resolution that directs 13 House and 12 Senate committees to write their parts of the reconciliation package by September 15. The several parts of the package would then be combined for floor debate as a single, very sizable, bill. The reconciliation process is significant because it can be passed with simple majority in the Senate and is not subject to a filibuster.

On August 24, House Democrats passed the budget resolution on a 220-212 party-line vote. The passage of this resolution allows congressional Democrats to move forward with developing and passing the \$3.5 trillion spending plan.

As a part of the deal to allow the House budget resolution to pass, Speaker Pelosi agreed to have a vote on the bipartisan infrastructure legislation – now known as the Infrastructure Investment and Jobs Act (IIJA). She scheduled the vote for September 30, but the vote did not occur.

BACKHOES PURCHASE CONTRACT AWARD

SUMMARY:

Backhoes are used by IRWD staff for excavation and breaking asphalt during pipeline repair and valve replacements. A versatile machine, backhoes can trench, dig around utilities, and can load trucks – thereby improving productivity and worksite safety when making repairs. Staff recommends the Board authorize the General Manager to execute a contract with Coastline Equipment Company in the amount of \$251,047 for the purchase of two new backhoe loaders.

BACKGROUND:

Staff use backhoes to expose pipelines and valves during replacement or repair. The current units purchased in 1998 have been used extensively and have accumulated over 10,000 operating hours. Replacement of both units is required due to equipment age, condition, and increased frequency of maintenance. The proposal received from Coastline Equipment Company is provided as Exhibit “A”. Coastline is a member of the Sourcewell Cooperative Purchasing Agreement and meets the District’s requirements for competitive bidding.

FISCAL IMPACTS:

Sufficient funds for the backhoes are included in the Fiscal Year 2021-22 Operating Budget.

ENVIRONMENTAL COMPLIANCE:

This item is not a project as defined in the California Environmental Quality Act (CEQA), Code of Regulations, Title 14, Chapter 3, Section 15378.

COMMITTEE STATUS:

This item was not reviewed by a Committee.

RECOMMENDATION:

THAT THE BOARD AUTHORIZE THE GENERAL MANAGER TO EXECUTE A CONTRACT WITH COASTLINE EQUIPMENT COMPANY IN THE AMOUNT OF \$251,047 FOR THE PURCHASE OF TWO NEW AND UNUSED BACKHOE LOADERS.

ACTION CALENDAR

FORMAT OF FUTURE IRWD BOARD AND COMMITTEE MEETINGS DURING COVID-19

SUMMARY:

From March 17, 2020, until September 30, 2021, local agencies could hold meetings of its governing boards and their standing committees (i.e., its legislative bodies) via entirely virtual or telephonic meetings in accordance with executive orders issued by Governor Newsom waiving certain provisions of the Brown Act. On October 1, 2021, these waivers expired.

In September 2021, AB 361 was enacted and provided that as of October 1, 2021, a local agency may conduct entirely remote virtual / teleconference meetings if the legislative body of that local agency finds that the Governor has declared a state of emergency, and either state or local officials have imposed or recommended measures to promote social distancing or the legislative body determines that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees. AB 361 also puts additional requirements on these meetings while waiving some of the Brown Act's rules for teleconference meetings.

With the expiration of the executive orders and the new law under AB 361, there are now two options for the format of future IRWD Board and standing committee meetings during COVID-19. The Board may continue its traditional in-person meetings under the pre-COVID-19 processes outlined in the Brown Act, or the meetings may be conducted via teleconference following the restrictions and rules outlined in AB 361. Staff recommends the Board affirm that meetings of the full Board and the standing Board committees continue to be held as in-person meetings operating pursuant to the provisions of the Brown Act.

BACKGROUND:

On March 17, 2020, Governor Newsom issued Executive Order N-29-20 suspending certain provisions of the Ralph M. Brown Act related to teleconferencing to allow legislative bodies to more easily conduct meetings remotely in order to help reduce the spread of COVID-19. This order was subsequently extended to remain in effect through September 30, 2021, and then expire. AB 361 (R. Rivas, D-Salinas) became law on September 16, 2021. AB 361, which included an urgency clause and was to take effect upon the Governor's signature, took effect on October 1, 2021, pursuant to Executive Order N-15-21.

AB 361 permits a local agency to hold its meeting via entirely virtual or telephonic meetings without complying with the normal teleconferencing requirements of the Brown Act when the Governor has declared a state of emergency and either:

- State or local officials have imposed or recommended measures to promote social distancing, or

- The legislative body, by majority vote, determines that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

To continue meeting under the modified teleconference rules of AB 361, the legislative body of a local agency must find every 30 days that:

- The legislative body has reconsidered the circumstances of the state of emergency, and
- The state of emergency continues to either directly impact the ability of the members to meet safely in person, or state or local officials continue to impose or recommend measures to promote social distancing.

While AB 361 eliminates many of the normal requirements for meetings held via teleconference, many provisions of the Brown Act remain the same regardless of AB 361's changes. For example, the Brown Act's agenda posting requirements, requirement for roll call votes during teleconference meetings, and the closed session rules (among others) remain unchanged. Additionally, AB 361 places several other new restrictions and requirements on teleconference meetings if its teleconferencing provisions are utilized. Of note is AB 361's requirement that, if a disruption prevents the meeting from being broadcasted to members of the public or if there is a disruption within the local agency's control that prevents members of the public from offering public comments, the legislative body must stop the meeting and take no further action until public access is restored. Furthermore, AB 361 can only be used for teleconference meetings, which requires that at least one member of the legislative body be in a different location.

Recommended Approach for Future IRWD Board and Committee Meetings:

Since June, the IRWD Board of Directors and its standing committees have been (mostly) meeting in-person, and have broadcasted these meetings using Webex. This approach has worked well for the Board, staff, and the public. Staff recommends the Board affirm that its meetings, and the meetings of its standing committees, will continue to be held as in-person meetings operating pursuant to the normal provisions of the Brown Act. The District will continue broadcasted its meeting Webex for observational purposes. This will allow members of the public to observe the meetings remotely, as a courtesy.

FISCAL IMPACTS:

Not applicable.

ENVIRONMENTAL COMPLIANCE:

Not applicable.

COMMITTEE STATUS:

This item was not reviewed by a Committee.

RECOMMENDATION:

That the Board confirm that its meetings, and the meetings of its standing committees, continue to be held as in-person meetings operating pursuant to the provisions of the Brown Act.
