WATER RESOURCES POLICY AND COMMUNICATIONS COMMITTEE

2023 LEGISLATIVE AND REGULATORY UPDATE

SUMMARY:

This report provides an update on the 2023 legislative session, regulatory issues, and IRWD priorities. As legislation and regulations develop, staff will provide updates and recommendations to the Water Resources Policy and Communications Committee and the Board, as appropriate. Staff recommends the Board consider the following actions / positions:

- *AB 249 (Holden, D-Pasadena) – Water: Lead Testing at Schoolsites: “OPPOSE UNLESS AMENDED”;*
- *AB 334 (Blanca Rubio, D-Baldwin Park) – Public Contracts: Conflicts of Interest: “SUPPORT”;*
- *AB 1337 (Wicks, D-Oakland) – State Board Water Shortage Enforcement: “WATCH”;*
- *SB 48 (Becker, D-San Mateo) – Building Energy Savings Act: “WATCH”;*
- *SB 414 (Allen, D-Santa Monica) – Drought Tolerant Landscaping: Local Incentive Programs for Synthetic Grass and Artificial Turf: “WATCH”; and*
- *SCR 52 (Alvarado-Gil, D-El Dorado Hills) – Special Districts Week: “SUPPORT”.*

BACKGROUND:

The last day for policy committees to hear fiscal bills was April 28, while May 5 is the policy committee deadline for non-fiscal bills. The last day for fiscal committees to meet and report bills introduced in their house to the Floor is May 19. In advance of that deadline, the Senate and Assembly Appropriations Committees will act on their respective Suspense Files and decide which bills to hold in committee and which to advance this year.

A copy of the Legislative Matrix is provided as Exhibit “A”. Links to the bills discussed below are included within each discussion unless a separate exhibit is noted.

2023 State Legislative Update:

AB 249 (Holden, D-Pasadena) – Water: Lead Testing at Schoolsites:

AB 249 would require a community water system that serves a K-12 public school, or a preschool or daycare facility located on public property, to test each potable water system outlets at those sites for lead before January 1, 2027. The bill would also require the community water system to report its findings to the applicable school or local education agency (LEA) and the State Board.

If the lead testing shows a lead level that exceeds five parts per billion, the bill would require the school or LEA to notify the pupils' parents and guardians, take immediate steps to make inoperable and shut down from use all fountains and faucets where the excess lead levels may exist and work with the schoolsites to ensure that a potable source of drinking water is provided for pupils. AB 249 would also require the State Board to allocate \$10 million each fiscal year from 2024 to 2027 from the federal Infrastructure Investment and Jobs Act to pay for drinking water testing, drinking water filters and related training for school personnel.

Under existing federal law, community water systems, including IRWD, are subject to the federal Lead and Copper Rule, as it has been revised (LCRR). The LCRR requires that community water systems test schools and childcare facilities for lead. There are further revisions expected to the LCRR, which are known as the Lead and Copper Rule Improvements (LCRI), that the United States Environmental Protection Agency is intending to finalize by October 2024.

Both the requirements in the LCRR and those that are expected to be included in the LCRI are different the school and childcare lead testing requirements of AB 249. Given these differences, staff recommends the Board adopt an "oppose unless amended" position on AB 249, and direct staff to seek amendments to the bill to make it consistent with the federal lead testing requirements or the LCRR and LCRI.

AB 334 (Blanca Rubio, D-Baldwin Park) – Public Contracts: Conflicts of Interest:

Government Code Section 1090 generally prohibits a public official or employee from making or being involved in the making of a contract in which the person has a financial interest. It also prohibits a public body from making a contract in which any member of the body has a financial interest, even if that member does not participate in the making of that contract.

Courts have interpreted Government Code Section 1090 to apply to certain consultants and independent contractors of public agencies. As a result, engineering consultants that have been hired by a local agency to work on a project may be found to have a conflict that prohibits them from being awarded a contract for a subsequent phase of work on that project.

AB 334, which is sponsored by the American Council of Engineering Companies of California, seeks to change this. It would establish that an independent contractor, who performs one phase of a project for a public entity and who seeks to enter into a subsequent contract for a later phase of the same project, is not subject to the Section 1090 prohibition if certain criteria are met.

Staff recommends the Board adopt a "support" position on AB 334.

AB 1337 (Wicks, D-Oakland) – State Board Water Shortage Enforcement:

AB 1337 passed the Assembly Water, Parks, and Wildlife Committee with amendments that were provided in the committee analysis and that went into print on April 20, 2023. The amendments strike and replace the current contents of the bill, removing to first section of the bill that was of concern to IRWD.

As amended, the bill is now intended to address the gap in the State Board’s authority over pre-1914 appropriative rights revealed by the court in the *California Water Curtailments Cases* decision. Specifically, the bill would authorize the State Board to issue a curtailment order for any diversion, regardless of basis of right, when water is not available under the diverter’s priority of right.

IRWD currently has an “oppose” position on AB 1337. Given that the section of the bill that most concerned the District has been removed, staff recommends the Board adopt a “watch” position on AB 1337. A “watch” position is consistent with the District’s position on the other water rights legislation introduced this year.

Staff will update the Committee on the discussions taking place on AB 1337 and the other water rights legislation before the California Legislature.

SB 48 (Becker, D-San Mateo) – Building Energy Savings Act:

SB 48 would have required water and electric utilities to maintain water and electric usage data for specified buildings and required the Energy Commission, in consultation with the State Board, to develop regulations requiring the reporting of this information. This bill was amended on April 18 and all the provisions in the bill that had related to water were removed.

The District currently has an “oppose unless amended” position on SB 48 to seek removal of water from the bill. Now that water has been removed from the bill, staff recommends the Board adopt a “watch” position on SB 48.

SB 414 (Allen, D-Santa Monica) – Drought Tolerant Landscaping: Local Incentive Programs for Synthetic Grass and Artificial Turf:

As introduced, SB 414 would have prohibited cities, counties, and special districts from issuing a rebate, voucher, or other financial incentive for the use of synthetic grass or artificial turf that contains contaminants, including zinc, plastic, or PFAS. This bill was gutted and amended on April 12, and is no longer related to PFAS. As amended, the bill relates to the use of hydrogen.

Given the substantial amendments to SB 414, staff recommends that Board change to the District’s from “support” to “watch.”

SCR 52 (Alvarado-Gil, D-El Dorado Hills) – Special Districts Week:

Again this year, the California Special Districts Association is sponsoring a Senate Concurrent Resolution proclaiming Special Districts Week. SCR 52, authored by Senator Marie Alvarado-Gil (D-El Dorado Hills), would proclaim May 14-20, 2023, to be Special Districts Week. As the District has done in previous years, staff recommends the Board adopt a “support” position on the Senate Concurrent Resolution recognizing Special Districts Week.

Other 2023 State Legislation of Interest to IRWD:

The following bills and legislative topics also address issues of interest topics to IRWD. Staff will update the Committee with an oral update on these bills and legislative topics of interest.

- *Climate Resilience Bond Proposals*- As discussed previously with the committee, four resilience or flood protection bond proposals have been introduced in the Legislature this session. Those measures are [AB 305 \(Villapadua, D-Stockton\)](#), [AB 1567 \(Garcia, D-Coachella\)](#), [SB 867 \(Allen, D-Santa Monica\)](#), and [SB 638 \(Eggman, D-Stockton/Niello, R-Fair Oaks\)](#). The District has a “support” position on AB 305 and SB 638, and a “support if amended” on AB 1567 and SB 867;
- *Surplus Land Act Related Legislation*- As previously discussed with the committee, there are seven bills seeking to amend the Surplus Land Act (SLA) this year. Those bills are [AB 457 \(Patterson, R-Granite Bay\)](#), [AB 480 \(Ting, D-San Francisco\)](#), [AB 837 \(Alvarez, D-Vista\)](#), [SB 34 \(Umberg, D-Anaheim\)](#), [SB 229 \(Umberg, D-Anaheim\)](#), [SB 693 \(Seyarto, R-Murrieta\)](#), and [SB 747 \(Caballero, D- Salinas\)](#). The District has an “support” position on SB 747, and an “oppose unless amended” position on AB 480, SB 34, and SB 229;
- *AB 1572 (Friedman, D-Glendale) – Nonfunctional Turf;*
- *AB 1573 (Friedman, D-Glendale) – Water Conservation: Landscape Design: Nonfunctional Turf; and*
- *SB 57 (Gonzalez, D-Long Beach) – Utilities: Disconnection of Residential Service.*

2023 State Regulatory Update:

Other 2023 Regulations of Interest to IRWD:

The following is a list of state regulations and agency reports staff is monitoring, tracking, or planning to engage in over the next three to 12 months. As the next drafts of the regulations or report are released for public review and comment, staff will engage, as appropriate. Staff will also provide an oral update to the Committee on any new developments related to these regulations and other regulations of interest to the District.

The pending regulations and reports actively being tracked include:

- CARB's [Proposed Advanced Clean Fleets Regulation](#);
- [California Endangered Species Act Listing](#) for the Southern California Steelhead;
- California Natural Resources Agency (CNRA) [30 x 30 California Implementation](#);
- CNRA's [Water Resilience Portfolio Implementation and Resiliency 2.0](#) Implementation;
- DWR's [2023 California Water Plan Update](#);
- DWR and the State Board's implementation of the "[Making Water Conservation a California Way of Life](#)" legislation;
- State Board's development of a "[Cross Connection Policy Handbook](#);"
- State Board's [Direct Potable Reuse Regulations](#);
- State Board's implementation of the Lead and Copper Rule;
- State Board reporting requirements;
- State Board's [Safe and Affordable Funding for Equity and Resilience \(SAFER\) Drinking Water Program](#);
- [State Board's development of a maximum contaminant levels for per- and polyfluoroalkyl substances \(PFAS\)](#); and
- South Coast AQMD's [Cumulative Impacts from Air Toxics for CEQA Projects](#)

2023 Federal Legislative and Regulatory Update:

Kern Fan Groundwater Storage Project Outreach:

IRWD's federal advocacy efforts in 2023 continue to largely focus on seeking federal funding for the Kern Fan Groundwater Storage Project and advocating for an increased funding authorization for the federal Water Storage Program. Staff will provide an update on those efforts.

FISCAL IMPACTS:

Not applicable.

ENVIRONMENTAL COMPLIANCE:

Not applicable.

RECOMMENDATION:

That the Board adopt a “support” position on AB 334 (Blanca Rubio) and SCR 52 (Alvarado-Gil); an “oppose unless amended” position on AB 249 (Holden); and a “watch” position on AB SB 48 (Becker) and SB 414 (Allen).

WATER RESOURCES POLICY AND COMMUNICATIONS COMMITTEE

WATER EFFICIENCY TACTICAL INCENTIVE FUNDING AUTHORIZATION

SUMMARY:

IRWD's Water Use Efficiency Program includes tactical incentives to encourage customers to remove turf and to install commercial and outdoor water conservation devices that are cost effective to the District. In 2015, IRWD executed a multi-year Water Conservation Participation Agreement with Municipal Water District of Orange County (MWDOC) to administer IRWD's incentives for regional rebate programs. Staff recommends the Board authorize the General Manager to allocate \$526,000 from over-allocation revenues that included in the FY 2023-24 Operating Budget to co-fund rebate programs that are administered through the agreement with MWDOC and to execute addenda to the agreement, as may be necessary, to reallocate the funds among the individual rebate programs and to modify incentive levels based on customer participation rates and changes in regional program funding levels.

BACKGROUND:

Tactical Incentives are a key element of IRWD's Water Use Efficiency Program. The financial incentives provided by IRWD are used to supplement existing regional rebate programs that are administered by MWDOC. IRWD incentives are provided taking into consideration avoided costs to the District, available regional funding, device cost and their effectiveness as a tool to drive change. Tactical incentive programs focus on outdoor water use efficiency through the highly visible turf removal rebate program and the installation of various other water conservation devices.

In July 2015, the Board approved the multi-year Water Conservation Participation Agreement with MWDOC, which is provided as Exhibit "A". Each fiscal year, addenda to the agreement are executed to allocate funding and to specify device rebate funding levels for the outdoor Residential, Commercial, Water Savings Incentive, Spray to Drip Conversion, and Turf Removal programs.

Device Funding Levels:

The proposed allocation of IRWD tactical incentive funding and the specific device funding levels for FY 2023-24 are shown in Exhibit "B". The allocations are based on prior customer participation rates and regional funding. Total tactical incentive program funding in the amount of \$526,000 is included in the District's FY 2023-24 Operating Budget. To continue providing program incentives through June 2024, staff recommends the Board authorize the General Manager to allocate \$526,000 in funding to the FY 2023-24 rebate programs administered through IRWD's agreement with MWDOC and to execute addenda to the agreement as necessary.

FISCAL IMPACTS:

Funding from over-allocation revenues for tactical incentives in the amount of \$526,000 is included in the adopted FY 2023-24 Operating Budget.

ENVIRONMENTAL COMPLIANCE:

This item is not a project as defined in the California Environmental Quality Act as authorized under the California Code of Regulations, Title 14, Chapter 3, Section 15378.

RECOMMENDATION:

That the Board authorize the General Manager to allocate \$526,000 in funding to the FY 2023-24 rebate programs administered through the Water Conservation Participation Agreement Between MWDOC and IRWD; and to execute addenda to the agreement as may be necessary to allocate funds to specific programs and modify device incentive levels based on customer participation rates and regional program funding levels.

Exhibit "A"

Water Conservation Participation Agreement between the Municipal Water District of Orange County and Irvine Ranch Water District

This Water Conservation Participation Agreement ("Agreement") is made between the Municipal Water District of Orange County ("MWDOC") and Irvine Ranch Water District ("Participant Agency"). MWDOC and Participant Agency may be collectively referred to as "Parties" and individually as "Party."

Recitals

- A. The Metropolitan Water District of Southern California ("Metropolitan") provides incentive funding to residential, commercial, and industrial water users in its service area for a variety of water conservation activities, including, but not limited to, rebates for the purchase and installation of water-saving devices ("Metropolitan Base Incentives").
- B. MWDOC is a member agency of Metropolitan and has agreements with Metropolitan that enable residential, commercial, and industrial water users in MWDOC's service area, and for the benefit of MWDOC's member agencies, to participate in and take advantage of Metropolitan's Base Incentives.
- C. Participant Agency, as a MWDOC member agency or a direct Metropolitan member agency, may elect to participate in Metropolitan's program to replace non-conserving items within its service area.
- D. The Metropolitan Base Incentives amounts for each eligible device or program available to MWDOC and Metropolitan member agencies are listed in the attached Addendums 1A and 1B. It is expected that Metropolitan will establish funding for additional water conservation items and to change some or all of the existing funding rates throughout the term of this Agreement. Any such changes will be incorporated herein by amendment to Addendums 1A and 1B.
- E. Metropolitan and MWDOC each have fiscal responsibility to manage their individual budgets, and hence may have a need to limit availability of funds.
- F. MWDOC and Metropolitan member agencies may also choose to provide additional supplemental funding of their own to augment the Metropolitan Base Incentives. Based on the terms and conditions of this Agreement, MWDOC will facilitate supplemental funding for Participant Agency through the Metropolitan rebate contractor ("Rebate Contractor") or MWDOC directly. Metropolitan member agencies will coordinate any supplemental funding directly with Metropolitan.
- G. In addition to the Metropolitan Base Incentives, MWDOC has developed and arranged additional local, state, and federal grant funding ("Grant Funding") for eligible devices in a number of water conservation programs ("MWDOC Administered Programs") that MWDOC offers to Participant Agency and Metropolitan member agencies. This grant funding may be used to enhance the Metropolitan Base Incentives. Granting agencies

include, but are not limited to, the Department of Water Resources and the United States Bureau of Reclamation.

- H. Participant Agency may also operate customized, local water conservation incentive programs in their respective service areas ("Participant Agency Administered Programs) and may have access to the Metropolitan Base Incentives and Grant Funding for such, subject to MWDOC and Metropolitan approval and the terms and conditions of this Agreement and any MWDOC and/or Metropolitan agreements.
- I. The purpose of this Agreement is to create a master water conservation participation agreement between MWDOC and Participant Agency that combines all of the conservation programs and incentives ("Programs") into one agreement. Addendums to this Agreement will be issued for changes involving Metropolitan approved items, MWDOC Board approved items, Grant Funding, adding and subtracting MWDOC Administered Programs and Participant Agency Administered Programs as identified in Section 2, and changes to incentive programs, including funding and incentive levels.

NOW THEREFORE, in consideration of the promises and covenants hereinafter set forth, the Parties do agree as follows:

Section 1: Agreement Term and Administration

- 1.1 This Agreement will be effective on July 1, 2015 or upon execution of this Agreement by all Parties, whichever is later, and shall terminate on June 30, 2025 ("Term"). Continuance of this Agreement will be subject to annual budget approval by MWDOC's Board of Directors.
- 1.2 This Agreement may be amended at any time by written mutual agreement of the Parties, or by Addendums issued by MWDOC as set forth in Recital I.
- 1.3 This Agreement may be terminated by either Party for any reason upon thirty (30) days written notice to the other Party.
- 1.4 All Addendums are enforced for the duration of this Agreement unless the Addendums are amended or terminated by either Party.
- 1.5 In the event the Agreement is terminated early, Participant Agency is responsible for payment of any funding contributions required by this Agreement that that were initiated prior to the effective date of the termination. For purposes of this Agreement, an application is deemed initiated when an application has been received by Metropolitan's rebate vendor, EGIA, by MWDOC, or a reservation has been made within any of MWDOC's online application portals that is pursuant to any of the programs described within this Agreement and the attached Addendums.
- 1.6 Notwithstanding any other provision in this Agreement, funds for all of the programs described within this Agreement and the attached Addendums are conditioned upon the

availability of funds and MWDOC is under no obligation to provide funding for any of the programs if MWDOC determines, in its own discretion, that such funding is exhausted, reduced, eliminated, or unavailable from any funding source, for any reason.

Section 2: Program Funding

2.1 Supplemental Funding

2.1.1 In addition to the Metropolitan Base Incentives, Participant Agency may provide additional funding to augment the Metropolitan Base Incentives amounts for those programs and devices that Participant Agency identifies, and in the amounts indicated, in the appropriate locations in Addendums 2A, 2B, and 2C (“Supplemental Funding”). The Supplemental Funding listed in Addendums 2A through 2C shall specify the amount of Supplemental Funding Participant Agency will provide per device or program, as well as the total maximum Supplemental Funding amount committed to each category of device or program. If the Participant Agency does not complete, sign, and return Addendums 2A through 2C to MWDOC, notwithstanding any other provision of this Agreement, the Participant Agency will not be bound by this Section or the provisions in Addendums 2A through 2C. In general, Supplemental Funding Addendums submitted by the 15th of a month will become effective the first of the following month.

2.1.2 If Participant Agency elects to provide Supplemental Funding or enhanced incentives under this Agreement for any device or program, Participant Agency is responsible for tracking the use of and the remaining availability of those funds. MWDOC will assist, in every way possible, but the ultimate responsibility for tracking all Participant Agency funding is the responsibility of Participant Agency. Participant Agency will ultimately be responsible for any overuse of Participant Agency Supplemental Funding.

2.1.3 Any requests for changes or revisions to Participant Agency’s Supplemental Funding, including funding transfers between Programs, must be submitted by Participant Agency to MWDOC in the form of revised Addendum 2s listing the new funding amounts/limits.

2.1.4 The Participant Agency may elect to participate in the Supplemental Funding Program and be bound by the provisions of this Section 2.1, Sections 3, 5, 6, 7, and 8 of this Agreement, and Addendum 2A through 2C by having its authorized representative complete and sign Addendum 2A through 2C in the spaces provided.

2.2 MWDOC Administered Programs

2.2.2 Participant Agency may elect to take advantage of the MWDOC Administered Programs by having its authorized representative complete and sign Addendums 3A through 3C in the spaces provided. If Participant Agency completes and signs Addendums 3A through 3C, Participant Agency agrees to be bound by the provisions of this Section 2.2, Sections 3, 5, 6, 7, and 8 of this Agreement, and Addendums 3A through

3C. If the Participant Agency does not complete, sign, and return Addendums 3A through 3C, notwithstanding any other provision of this Agreement, the Participant Agency will not be bound by this Section or the provisions in Addendums 3A through 3C.

2.3 Participant Agency Administered Programs

2.3.1 From time to time, funding may be made available for Participant Agency to operate a customized member agency administered local water conservation incentive program or programs (“Participant Agency Administered” “PA” or “MAA Program”) in its service area and access the Metropolitan Base Incentives for such, subject to MWDOC approval of the program and the terms and conditions of this Agreement and Addendum 4. The Participant Agency Administered Program(s) and requirements in connection with it are described in more detail in Addendum 4.

2.3.2 Upon receipt of approval of a Participant Agency Administered Program by MWDOC, Participant Agency is bound by the provisions of Sections 3, 5, 6, 7, and 8 of this Agreement and Addendum 4.

2.4 Exhaustion of Funding

2.4.1 In the event Participant Agency provided funding for any Program or device is exhausted, and Participant Agency does not elect to add additional funding or transfer available funding from another Program or device, MWDOC will discontinue offering the additional rebate funding for that Program or device in Participant Agency’s service area. Notwithstanding any other provision in this Agreement, MWDOC may terminate this Agreement as it relates to Section 2 at any time without prior notice in the event that MWDOC determines that funding for any device or program on Addendums 2 through 4 or MWDOC Grant Funding is exhausted, reduced, eliminated, or unavailable from any funding source, for any reason.

Section 3: Participant Agency Responsibility and Ownership

- 3.1 Participant Agency, at its sole discretion, may independently contract with its own agents under separate agreements for program administration and management for any Participant Agency Administered Program provided that doing so does not compromise program performance, create or present a conflict of interest, or violate the terms of this Agreement.
- 3.2 Participant Agency and/or its agent shall provide all necessary services and materials for such Participant Agency Administered Programs including, but not limited to the following: program administration, promotion, marketing materials, data collection, and analysis, installation verification, and reporting.
- 3.3 All materials and supplies necessary to implement a Participant Agency Administered Program shall be the exclusive property of Participant Agency. MWDOC shall have no

ownership, right, title, security interest, or other interest in any Participant Agency Administered Program materials or supplies, nor any rights duties, or responsibilities, therefor.

- 3.4 Participant Agency is responsible for assuring that any Participant Agency Administered Program complies with all federal, state, and local requirements.
- 3.5 Participant Agency agrees to cooperate with MWDOC's data management activities related to assessing device saturation and program success.
- 3.6 As part of any Participant Agency Administered Program, Participant Agency shall use, maintain, and submit to MWDOC within the designated timeframe an electronic database, to be approved by MWDOC prior to use, for any conservation items installed, distributed, or rebated by Participant Agency or its agents to avoid duplicate distributions and to determine the saturation rate of items by the appropriate geographic delineation.
- 3.7 Participant Agency is solely responsible for the performance of its staff or representatives in complying with the terms of this Agreement and for the proper allocation and appropriate use of funds provided by Metropolitan and/or MWDOC for the purpose of achieving water conservation savings under this Agreement.

Section 4: MWDOC's Obligations

- 4.1 MWDOC will be response to Participant Agency for ensuring that timely reports on the Programs' results are prepared by MWDOC's staff.
- 4.2 MWDOC will develop a database of information regarding participation in the Programs and provide monthly electronic and/or written reports of activity to Participant Agency.
- 4.3 MWDOC will invoice Participant Agency for any Participant Agency funding obligations on a monthly basis for rebates issued in the previous month.
- 4.4 MWDOC does not guarantee any minimum number of rebates will be available for Participant Agency's service area.

Section 5 Marketing.

- 5.1 Participant Agency agrees to assist in the marketing of programs it participates in under this Agreement. With regard to Participant Agency Administered Programs, Participant Agency will be solely responsible for marketing its Participant Agency Administered Program to customers in its service area.

Section 6: Installation Verification

- 6.1 Participant Agency shall be responsible for conducting installation verifications of items installed, distributed, and/or rebated by Participant Agency under Participant Agency

Administered Programs, and/or for paying all costs associated with this verification. Installation verification measures for program devices must be designed to ensure that materials, installation verifications of eligible program devices, and services meet requirements established by Metropolitan, which requirements will be provided to Participant Agency by MWDOC.

- 6.2 Participant Agency may be responsible for conducting installation verifications of items installed, distributed, and/or rebated by Participant Agency or MWDOC under MWDOC Administered Programs, and/or for paying all costs associated with this verification. Installation verification measures for program devices must be designed to ensure that materials, installation verifications of eligible program devices, and services meet requirements established by Metropolitan, which requirements will be provided to Participant Agency by MWDOC.
- 6.3 MWDOC reserves the right to conduct installation verification of items within Participant Agency's service area.
- 6.4 Participant Agency acknowledges that any device receiving funding from Metropolitan may be subject to an installation verification to be performed by Metropolitan, or its agent(s), at Metropolitan's discretion.
- 6.5 Participant Agency shall promptly refund to MWDOC any amounts paid under any Participant Agency Administered Program or MWDOC Administered Program for installed or distributed devices in the event MWDOC or Metropolitan establishes via installation verification that the program devices were not installed.

Section 7: Reporting and Invoicing

- 7.1 For any and all Supplemental Funding provided by Participant Agency and/or Participant Agency provided funding or inspection costs under the MWDOC Administered Programs pursuant to Section 2 of this Agreement, and as more particularly described in Addendums 2 and 3, MWDOC will invoice Participant Agency on a monthly basis for the cost of such funding, and Participant Agency must pay the full amount of such invoice within thirty (30) days of receipt of any such invoice.
- 7.2 For any and all Participant Agency Administered Program(s), Participant Agency will invoice MWDOC on a monthly basis, by the 10th of each month, for any approved funding and costs associated with the Participant Agency Administered Program(s) as indicated in and subject to the provisions of Addendum 4. MWDOC is under no responsibility to reimburse Participant Agency for any costs incurred by Participant Agency that are not approved by MWDOC consistent with the terms and conditions of this Agreement and Addendum 4. The invoice package shall include a fully completed, to the satisfaction of MWDOC, Excel customer/applicant spreadsheet showing program activity, and an invoice, signed by the General Manager or designee of Participant Agency, certifying the information provided as accurate. Participant Agency shall use the Excel customer/applicant spreadsheet and Invoice forms approved by MWDOC.

- 7.3 Participant Agency shall maintain all Participant Agency Administered Program information, including Participant Agency applications, water bills, and purchase receipts, for a period of seven years from the end date of this Agreement.
- 7.4 Payment of Participant Agency invoices shall be in the form of either a credit on MWDOC's water bill to Participant Agency or a check made payable to Participant Agency. Method of payment shall be at MWDOC's discretion.

Section 8: Confidentiality

- 8.1 MWDOC agrees to maintain the confidentiality of Participant Agency's customer names, addresses, and other information gathered in connection with this Agreement. MWDOC will not cause or permit the disclosure of such information except as necessary to carry out any of the MWDOC Administered or Participant Agency Administered Programs, or as required by law. To the extent that MWDOC contracts with third party contractors to carry out all or any portion of any of the Programs, MWDOC will require such contractors to maintain the confidentiality of such customer information.
- 8.2 Notwithstanding anything to the contrary in this Agreement, Participant Agency acknowledges and agrees that MWDOC may request and use historical water consumption data for purposes of satisfying any grant water use and water quality evaluation requirements of any of the Programs. Participant Agency also acknowledges and agrees that MWDOC may also request to use Program applicant information, such as name, mailing address, site photos, and email address to market other water use efficiency programs to past applicants. A similar provision will be required of every individual applicant.

Section 9. Indemnification.

- 9.1 The parties agree that each Party shall be responsible for its own actions, and the actions of its officers, employees, and agents, in performing services under this Agreement. Except as provided in this Agreement and its Addendums, each Party agrees to indemnify and hold the other Party and its officers and agents harmless and agrees to defend the other Party against any claim or asserted liability arising out of its actions, either willful or negligent, or the actions of its officers, employees, and agents, in performing services pursuant to this Agreement. Such indemnity will include any losses relating to any claim made, whether or not a court action is filed, and will include attorney fees and administrative and overhead costs related to or arising out of such claim or asserted liability.
- 9.2 Participant Agency shall include the following language in its agreement with any consultant or contractor retained by Participant Agency to work on any of the Program" "(Consultant) agrees at is sole cost and expense to protect, indemnify, defend, and hold harmless Metropolitan, MWDOC, and their associated Boards of Directors, officers, representatives, agents and employees from and against any and all claims and liability

of any kind (including, but not limited to, any claims or liability for injury or death to any person, damage to property, natural resources or to the environment, or water quality problems) that arise out of or related to Participant Agency's approval, construction, operation, repair, or ownership of any Program. Such indemnity shall include all damages and losses related to any claim made, whether or not a court action is filed, and shall include attorneys' fees, administrative and overhead costs, engineering and consulting fees, and all other costs related to our arising out of such claim or asserted liability."

Section 10. Certification re Lobbying (43 CFR 18)

- 10.1 The undersigned hereby certifies on behalf of Participant Agency that no Federal appropriated funds have been paid or will be paid, by or on behalf of the Participant Agency, to any person for influencing or attempting to influence an officer or employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress in connection with a Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form LLL, "Disclosure Form to Report Lobbying" in accordance with its instructions. To the extent federal funds are involved, the Participant Agency shall require that the language of this certification be included in the awards documents for any sub-awards by the Participant Agency at all tiers (including sub-contracts, sub-grants, and contracts under grants, loans and cooperative agreements) and that sub-recipients, if any, shall certify accordingly.

Section 11. Other Terms

- 11.1 Any alteration or variation of the terms of this Agreement will not be valid unless made in writing and signed by both Parties.
- 11.2 This Agreement will inure to the benefit of and be binding upon the Parties and their respective successors.
- 11.3 The partial or total invalidity of one or more parts of this Agreement will not affect the intent or validity of this Agreement.
- 11.4 This agreement shall be deemed a contract made under the laws of the State of California, and for all purposes will be interpreted in accordance with such laws. The Parties hereby agree and consent to the exclusive jurisdiction of the courts of the State of California, and that the venue of any action brought hereunder will be in Orange County, California.

WATER RESOURCES POLICY AND COMMUNICATIONS COMMITTEE

ACWA 2023 ELECTION FOR THE 2024-2025 TERM

SUMMARY:

The Association of California Water Agencies (ACWA) has issued two separate, but concurrent, notices of election for the 2024-2025 ACWA President and Vice President, and for the 2024-2025 Region Boards. To participate in the voting process for President and Vice President, an ACWA member must designate a voting representative and submit the “Authorized Voting Representative Form” by June 16, 2023.

On July 17, ballots for both the 2024-2025 ACWA President and Vice President, and the 2024-2025 Region Boards elections will be sent to ACWA member agencies. The voting period for both elections will take place electronically from July 17 to September 15, 2023, and the winners of the elections will be announced on September 27.

Staff recommends the Board designate Director Steve LaMar as IRWD’s voting representative for both the ACWA presidential and vice-presidential election and for the election of the Region 10 Board of Directors, and authorize staff to submit the “Authorized Voting Representative” form to ACWA designating Director LaMar as the District’s authorized voting representatives for the upcoming presidential and vice presidential election.

BACKGROUND:

Every two years ACWA provides the opportunity for the association’s membership to elect the ACWA President, Vice President, and Region Boards of Directors. The elected offices and board members will serve two-year terms beginning in 2024.

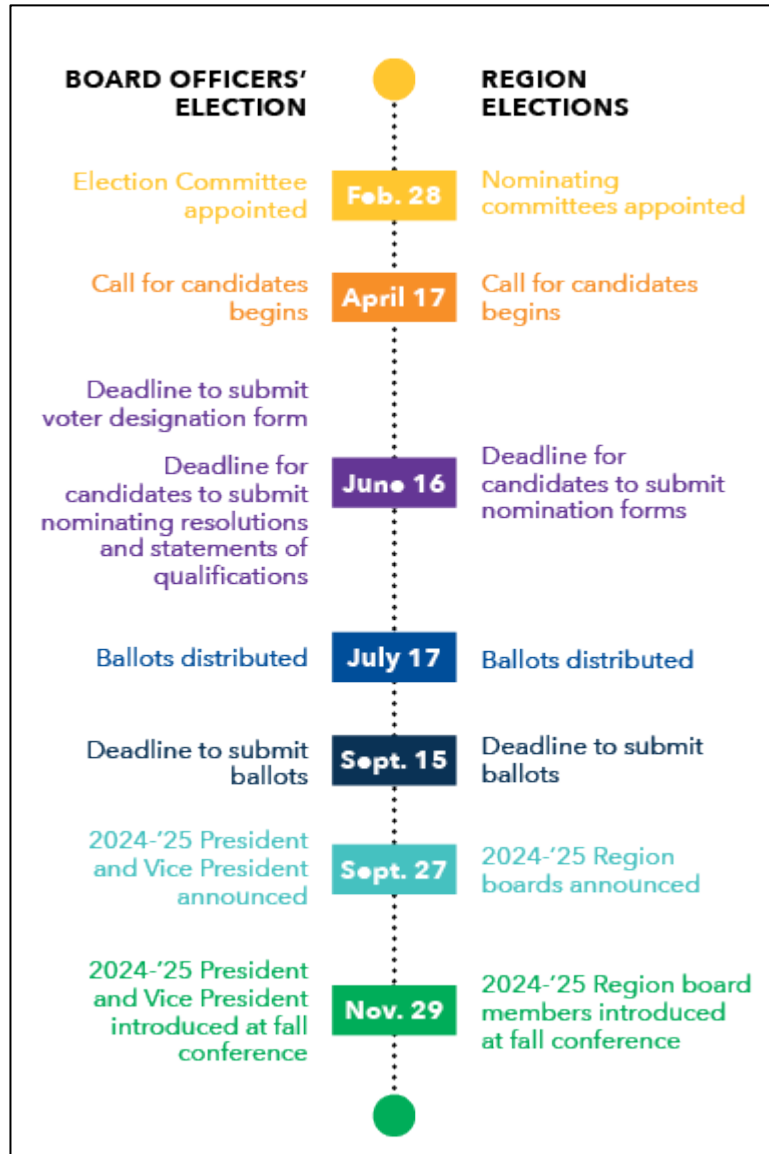

Unlike previous elections, this year’s election process will take place electronically, not during the annual membership meeting. Additionally, ACWA is not asking members to designate alternative voting representatives for voting purposes as it had in the past. ACWA’s revised election process provides that the General Manager of each member will serve as the default voting representative for that member if no authorized voting representative is designated.

ACWA 2024-2025 Voting Process:

On March 15, ACWA sent a memorandum to each of its members regarding this year’s election for President, Vice President, and Region Boards of Directors. The Memorandum is attached as Exhibit “A” and outlines the ACWA voting process.

The ACWA election process and timeline for both the presidential and vice-presidential election and the region board elections is also depicted on the following page:

ACWA Election Process and Timeline

The ACWA election procedure requires that each ACWA member wishing to participate in the election of the President and Vice President must designate a voting representative and submit a “Authorized Voting Representative” form, which is attached as Exhibit “B,” identifying that individual as its representative by June 16. If the member does not submit the requisite form by June 16, the member’s General Manager will be designated as the authorized voting representative. The process for the Region Board election differs slightly in that no designation form is necessary and the members will automatically receive their ballot on July 17.

Staff recommends the Board designate Director Steve LaMar as IRWD’s voting representative for both the ACWA presidential and vice-presidential election and for the election of the Region 10 Board of Directors.

FISCAL IMPACTS:

None.

ENVIRONMENTAL COMPLIANCE:

Not applicable.

RECOMMENDATION:

That the Board designate Director Steve LaMar as IRWD's voting representative for both the ACWA presidential and vice-presidential election and for the election of the Region 10 Board of Directors, and authorize staff to submit the "Authorized Voting Representative" form to ACWA designating Director LaMar as the District's authorized voting representatives for the upcoming presidential and vice presidential election.

MEMORANDUM

TO: ACWA Member Agency Leadership
(sent via email)

CC: ACWA Board of Directors

FROM: ACWA Executive Director

DATE: March 15, 2023

SUBJECT: ACWA 2023 BOARD OFFICERS’ ELECTION – Authorized Voting Representative Form

ACWA has launched two separate but concurrent election processes for the 2024-’25 term: the Board officers’ election for President and Vice President and the region board elections. **This memo provides a summary of the Board officers’ election process, including key dates and changes being implemented this year.**

The biggest change to the election process is that voting will no longer take place during conference. Instead, voting will take place electronically July 17 - Sept. 15. Ballots will be distributed July 17 and include all qualified candidates, in addition to the Election Committee’s preferred candidates. All candidates will also be listed on the ACWA website and invited to participate in a town hall style webinar in which members can ask the candidates questions.

Each member agency in good standing may vote in the election for President and Vice President. **Member agencies must designate the agency’s one voting representative by submitting an Authorized Voting Representative Form to donnap@acwa.com by June 16. The form is available [online](#).**

ACWA will be using a web-based online voting system called Simply Voting, which will independently tabulate the votes and provide verified results in a timely manner while keeping individual votes confidential. Designating your agency’s voting representative is an important step to ensure the ballot is sent to the correct person.

Important Officers Election Dates

1. Call for candidates begins: **Monday, April 17**
2. Deadline to submit Authorized Voting Representative Forms: **Friday, June 16**
3. Deadline to submit candidate nominations: **Friday, June 16**

4. Election begins: **Monday, July 17**
 1. Authorized voting representatives who are voting electronically will receive an email from Simply Voting with a link to the ballot for President and Vice President.
 2. Authorized voting representatives who have requested a paper ballot will be sent a ballot by first class mail to their member agency's address.
5. Deadline to submit ballots: **Friday, September 15**
6. Announcement of ACWA President and Vice President for 2024-'25 term: **September 27**
7. Introduction of ACWA President and Vice President at fall conference: **November 29**

For more details about the election process, please visit www.acwa.com/elections. Additional questions can be directed to ACWA Senior Clerk of the Board Donna Pangborn at 916-669-2425 or donnap@acwa.com.

ACWA has launched two separate but concurrent election processes for the 2024-'25 term: the board officers' election for President and Vice President and the region board elections. **In order to vote for the board officers, each member agency must designate one voting representative by June 16.** To designate your agency's one voter, submit this Authorized Voting Representative Form by the June deadline. If you do not designate a representative to vote by the deadline, your agency's General Manager will be the authorized voter by default. Authorized voters will receive an electronic ballot on July 17. For more information about ACWA's elections, visit www.acwa.com/elections.

The person designated below will cast our agency's vote for the election of ACWA's President and Vice President for the 2024-'25 term in the upcoming election.
