

Create five divisions with as nearly equal populations as possible. The goal is to have approximately 89,434 people for each division. Generally, each division's population should approximately be between 84,962 and 93,906 people. You may use a thick, black or dark blue marker to draw the proposed division boundaries on the map.

Submissions may be sent to:
 IRWD District Secretary
 Irvine Ranch Water District
 Email: comments@irwd.com OR
