

IRVINE RANCH WATER DISTRICT
NEW PRODUCT SUBMITTAL FORM

- ** This form provides information required by the District's Standard Specifications Committee to determine if the specifications should be revised to allow use of your product. The standard specifications are used by District contractors, developers, and others to construct improvements for the District.
- ** Please fill out the form completely and attach any additional pertinent materials. Incomplete forms will not be considered.
- ** No obligations on the part of the District are either inferred or implied by receipt of this form.
- ** Use a separate form for each product to be considered. Separate forms are not required for various sizes of the same product, as long as the product's components are similar.
- ** Submit completed form to: Jessie Muncy: muncy@irwd.com
