WATER RESOURCES POLICY AND COMMUNICATIONS COMMITTEE

2022 LEGISLATIVE AND REGULATORY UPDATE

SUMMARY:

This report provides an update on the 2021-2022 legislative session, regulatory issues, and IRWD priorities. As legislation and regulations develop, staff will provide updates and recommendations to the Water Resources Policy and Communications Committee and the Board, as appropriate.

Staff recommends the Board receive and file this report.

BACKGROUND:

The California State Assembly and Senate are currently on their interim recess. The 2023-24 Regular Session convenes for Organizational Session on December 5, 2022.

2022 State and Regional Regulatory Update:

Outdoor Water Use Efficiency Recommendations:

On September 29, 2022 the Department of Water Resources (DWR) transmitted a [memorandum](#) to the State Water Resources Control Board providing recommendations for long-term water use efficiency that were developed pursuant to the 2018 “Making Water Conservation a California Way of Life” legislation. These recommendations pertain to:

- Standards for outdoor residential use;
- Standards for outdoor irrigation of landscape areas with dedicated irrigation meters, or other means of calculating outdoor irrigation use in connection with commercial, industrial, and institutional (CII) water use;
- Performance measures for CII water use;
- Variances for unique uses that can have a material effect on an urban retail water supplier’s Urban Water Use Objective (UWUO) and threshold of significance for each recommended variance; and
- Guidelines and methodologies that identify how an urban retail water supplier calculates its UWUO.

DWR recommends an Outdoor Residential Water Use Efficiency Standard (ORWUS) of:

- 0.80 for existing landscapes in 2023, phasing in an ORWUS of 0.63 in 2030;
- 0.55, or a more efficient standard that may be identified in future Model Water Efficient Landscape Ordinance (MWELo) amendments, for new residential construction;

- 1.0 for Special Landscape Areas (SLAs) in residential parcels if an urban water supplier chooses to include the residential SLAs with the CII-DIM calculations, and alternatively 0.80 in 2023, transitioning to 0.63 and beyond if an urban water supplier chooses to include the residential SLAs in the ORWU calculations; and
- DWR recommends that urban water suppliers apply the ORWUS to the sum of Irrigable-Irrigated landscape areas and 20 percent of Irrigable-Not-Irrigated landscape areas.

DWR recommends a Water Use Efficiency Standard for CII Outdoor Irrigation of Landscape Areas with Dedicated Irrigation Meters (or Equivalent Technology (CII-DIMWUS) of:

- 0.80 for existing landscapes in 2023, phasing in to 0.63 in 2030;
- 0.45, or the value that may be identified in future MWELo amendments, with modifications for SLAs, for new CII landscapes; and
- DWR recommends specified additional SLAs and exempt landscapes.

Staff will discuss with the Committee the State Board's forthcoming evaluation of DWR's recommendations through a formal rulemaking process, and the District's ongoing engagement on this rulemaking.

Water Loss Performance Standards for Urban Retail Water Suppliers:

On October 19, 2022, the State Board adopted a rule establishing water loss performance standards for urban retail water suppliers. The establishment of this rule is responsive both to statutory requirements for monitoring and reducing water losses through leaks in urban retail water suppliers' distribution systems and the requirement for the State Board to develop performance standards for water loss for suppliers pursuant to the 2018 "Making Water Conservation a California Way of Life" legislation.

The stated intent of the proposed regulation is to provide each URWS a unique volumetric standard reflecting cost-effective levels of achievable water loss, given its system and budget, and to give each supplier the flexibility to choose its own approach to meeting its standard. The adoption of this rule is the culmination of a formal rulemaking process that began with a notice of a public hearing that was held on February 10, 2022. The District submitted two comment letters responsive to this rulemaking. Staff will discuss with the Committee the District's engagement on this rulemaking, and the State Board's responses to the District's comments.

Other 2022 State Regulations:

The following is a list of some of the State regulations and agency reports staff is monitoring, tracking, or planning to engage in over the next three to 12 months. As the next drafts of the regulations or reports are released for public review and comment, staff will engage, as appropriate. The pending regulations, administrative actions and reports actively being tracked include the:

WATER RESOURCES POLICY AND COMMUNICATIONS COMMITTEE

ACWA 2022 MEMBERSHIP MEETING

SUMMARY:

The Association of California Water Agencies (ACWA) will be holding a general session membership meeting at the ACWA Fall Conference on November 30, 2022. At the meeting, ACWA members will be asked to approve amendments to the Association's bylaws. In order to participate in the membership meeting, each ACWA member must designate a voting delegate on the "Voter Designation & Information Form" – a form ACWA has requested be returned to the association by November 23, 2022.

Staff recommends the Board designate President Steve LaMar as IRWD's voting delegate and Paul Cook, IRWD's General Manager as his alternate, for the November 30 membership meeting, and authorize the General Manager to sign and submit the "Voter Designation & Information Form" to ACWA designating them as its authorized voting representatives for the upcoming meeting.

BACKGROUND:

Every two years ACWA holds a membership meeting at its Fall Conference so that the association's membership can elect the ACWA President and Vice President, who will serve for the next two years. In addition, ACWA periodically holds an additional membership meeting at its Fall Conference in the non-ACWA-election years to asked to address other association business or to vote on proposed amendments to the association's bylaws, if there are any proposed. 2022 is a non-ACWA-election year, but the association is holding a membership meeting at the Fall Conference on November 30, 2022, for the membership to vote on proposed amendments to the association's bylaws.

On October 5, 2022, ACWA sent a memorandum to each of its members regarding this year's membership meeting. The General Session Membership Meeting Memorandum is provided as Exhibit "A". The memorandum discusses the ACWA member meeting voting process.

ACWA Voting Process:

Each ACWA member wishing to participate in a membership meeting must designate a voting representative and submit a designation form identifying that individual as its authorized voting representative prior to the membership meeting. The designated voting representative is then required to check in at the ACWA General Session Desk prior to the membership meeting to pick up a voting keypad. This year designated representatives must check in, required for voting, on Wednesday, November 30, between 10:00 a.m. and 11:45 a.m. at the ACWA General Session Desk.

To help expedite the sign-in process, ACWA has requested that its members indicate their voting delegates on the proxy designation form enclosed in the General Session Membership Meeting Memorandum. ACWA has requested that the proxy designation form be returned to the association before November 23, 2022.

Staff recommends the Board designate President Steve LaMar as IRWD's voting delegate at the November 30 membership meeting and Paul Cook, as his alternate. Following the Board's designation, staff will submit the voter designation form required by ACWA.

2022 Proposed Bylaw Changes:

ACWA staff, along with attorneys that represent ACWA members, have proposed a number of changes to the Association's bylaws to ensure ACWA's bylaws are current and reflect consistency with its other governance documents and daily operations. The proposed changes would also implement changes related to the election of ACWA's Board Officers, as recommended by the ACWA Election Task Force. The proposed amendments also incorporate California Corporation Code provisions allowing meetings to be held by electronic communication and incorporate a new numbering system.

The General Session Membership Meeting Memorandum outlines the changes and includes a redline version of the proposed amendments. Both the ACWA Board of Directors and the ACWA Legal Affairs Committee have recommended adoption of the proposed amendments and after reviewing the proposed changes, staff recommends the Board support the proposed amendments.

FISCAL IMPACTS:

None.

ENVIRONMENTAL COMPLIANCE:

Not applicable.

RECOMMENDATION:

That the Board designate President Steve LaMar as IRWD's voting delegate and Paul Cook, IRWD's General Manager as his alternate, for the November 30, 2022, Association of California Water Agencies membership meeting, authorize the General Manager to sign and submit the "Voter Designation & Information Form" to ACWA designating President Steve LaMar and Paul Cook as its initial authorized voting representatives for the District, and support the proposed bylaw amendments.

Proposed Amended and Restated Bylaws

As part of ongoing efforts to ensure ACWA's Bylaws are current and reflect consistency with other governance documents and daily operations and to implement changes related to the election of ACWA's Board Officers, the Board of Directors is recommending proposed Amended and Restated Bylaws for consideration by the membership.
